Potential additional charges

· Outdoors: in case of rain, having Trax Mobile Music supply his own shelter to cover his

electrical DJ equipment costs more because of the need to hire an assistant who is physically able to help put up - then - take down a portable shelter.

· Karaoke \$50

· Emcee \$100

• Carrying DJ Equipment up and down flight(s) of stairs with NO Elevator would incur additional costs to hire another dependable assistant to lift Trax Mobile Music's professional equipment at the beginning AND end of event.

• Additional sound requirements

• Additional Special Lighting costs more - (normal lights are already included, no charge).

• Simultaneously supplying two full sets of DJ equipment (same event, two different areas)

will cost double because additional vehicle, DJ and DJ set-up would be required.
